The UAG is a Federal advisory committee under the Federal Advisory Committee Act (FACA) pursuant to the NASA Authorization Act, Fiscal Year 1991. Members of the UAG will serve either as "Representatives" (i.e., representing industry, other non-Federal entities, and other recognizable groups of persons involved in aeronautical and space activities), or as "Special Government Employees (SGEs, i.e., individual subject matter experts or consultants). Membership will be a mix of Representatives and SGEs, and be balanced to ensure diversity and sector expertise as reflected by the National Space

Council. Nominees will be evaluated on merit, subject matter expertise, and track record of contributions and accomplishments aligned with National Space Council goals.

Deadline: The deadline for NASA to receive all public nominations has been extended to October 29, 2021.
